Freestyle!

Aged 14 to 18? Freestyle offers you the opportunity to engage in activities aimed at improving confidence, motivation and life skills whilst learning new skills and working towards qualifications.

The programme involves a combination of

- ✓ Maths & English
- ✓ Computer Studies

It provides the ideal foundation for E2E (Entry to Employment)

EMA of up to £30 per week plus bonuses can be claimed, if eligible. The programme requires 12 hours of attendance each week for a period of 12 weeks.

Want a job? We will help prepare you for the interview

Need more qualifications? We will help you to achieve qualifications in ICT, Maths and English.

e2e Entry to Employment

Suitable for young people aged 16-18.

It is aimed at essential skills for employment and includes:

- **Learning and skills development:**
Maths, English and ICT leading towards recognised qualifications
- **Into work preparation:**
CV preparation
Job profiling
Job search activities
Job applications and Interviews
Work experience

EMA of up to £30 per week plus bonuses can be claimed, if eligible. This is a 22 week programme which requires a minimum of 16 hours of attendance each week, gradually building up to 30 hours per week

Activity Agreement

- **Driving Theory Course:**
If you attend regularly, you may be eligible for financial help with your theory test
- **Learning and skills development:**
Maths, English and ICT leading towards recognised qualifications
- **Bowling sessions**
For team building and improving confidence and social development.

EMA of up to £30 per week can be claimed, if eligible.
